

Notes from CITE Meeting - February 19, 2009

**Members Present:** Shirley Bower, Mary Carlin, Ted Ciambor, Corey Ha, Jennifer Morris, Mary Jo Orzech, Julie Sollenberger, Adam Traub, Steve Weiter, Stanley Wilder

**Also Present:** Debby Emerson, Kathy Miller

Recommendations to 2009 RBDB Selection Jury		
Project	Comments	Amount Recommended
#1 Training (RRLC)		\$ 76,323
#2 Regional Catalog (RRLC)		\$ 33,856
#3 E-Resources (RRLC)		\$32,600
#4 CONTENTdm (RRLC)		\$ 19,966
#5 Highland Hospital	Recommend full funding. Well written application. Small amount of funding requested.	\$ 2,890/\$2,890
#6 Rochester Museum & Science Center	Recommend funding \$3000 in Gov cut. Fund fully if we receive full funding from state.  Concerns: Need better description of images (what is Stone collection?) and need detail of salary support.	\$ 3,000/\$8,437
#7 SUNY Brockport	Recommend funding \$3000 in Gov cut. Fund fully if we receive full funding from state. Clear, detailed application. Useful resources to share. Collaborative application.	\$3,000/\$5,450
#8 SUNY Geneseo	Recommend funding \$9000 in Gov cut. Fund fully (minus travel \$\$) if we receive full funding from state.  Concerns: Would this be enhancing vendor product? Why is money needed for server & software? SUNY G responded server is needed as a test server to do development. Will not host servers for other libraries.	\$9,000/\$14,500

Project	Comments	Amount Recommended
#9 Wayne-Finger Lakes BOCES SLS	<p>Recommend no funding in Gov cut. If we receive full funding from state would recommend funding at some level –see recommendation below. Would like to include in application to state to have balanced application.</p> <p>Concerns: Application is not clear. They are not creating MARC records, they are attaching holdings. Would need specific information from WFL what is actual cost per record?</p>	\$ 0
#10 SLS <i>Democrat &amp; Chronicle</i>	<p>Recommend funding \$7,300 in Gov cut and if we receive full funding from state. Schools have no funds to buy D&amp;C. MCLS has requested this project as a priority. MCLS libraries will only have access to NOVELNY and <i>D&amp;C</i>. Will not be able to afford <i>D&amp;C</i> if school library systems cannot participate.</p>	\$7,300/\$7,300
TOTAL		\$ 187,935/\$201,322

#### Additional Recommendations

If we receive full funding:

- Fully fund Highland, Rochester Museum & Science Center, & SUNY Brockport.
- Fully fund SUNY Geneseo minus \$1,000 requested for travel.
- Fully fund SLS *Democrat and Chronicle*.
- Fund Wayne-Finger Lakes BOCES SLS at some level, but only if application is revised to show cost per record
- Put funds toward NY3Rs XC project
- Enhance RRLC/CONTENTdm project; more libraries could add images
- Put funds toward other technology funds
- Committee would like to see standards for digitization projects regarding costs
