

# Britannica Online Databases

## Britannica Online School Edition

*Britannica Online School Edition* gives teachers and students instant access to three complete encyclopedias that ensure consistency with classroom topics and age-appropriate language. This unique database also offers high-quality online learning materials developed by teachers and curriculum experts, as well as a dictionary, thesaurus, Internet guide, atlas, and more. Designed for all levels of learning, *Britannica Online School Edition* offers students a gateway to the vast resources of Encyclopædia Britannica.

## Britannica Online

With access to three encyclopedias—*Encyclopædia Britannica*, *Britannica Student Encyclopedia*, and *Britannica Elementary Encyclopedia* – Britannica Online is a site for all ages. Users can locate information quickly by using Boolean operators; browsing A-Z; or typing in words, phrases, or questions to receive a list of relevance-ranked articles. In addition to providing answers to a multitude of questions, *Britannica Online* also leads users to additional information about their topics through related articles, links to outside Web sites, and bibliographies.

## Annals of American History Online

Explore the rich and varied history of the United States with Encyclopædia Britannica's *Annals of American History Online*. This valuable online chronicle provides a year-by-year documentary of American thought and action. Read the original words of more than 1,500 authors who made and analyzed American history through speeches, writings, memoirs, poems, and interviews.

## Enciclopedia Universal en Español

*Enciclopedia Universal en Español* contains over 47,000 articles, 8,300 photos and images, as well as over 390 maps and 500 tables, making it the most detailed and comprehensive online encyclopedia in the Spanish language. *Enciclopedia Universal en Español* is perfect for native Spanish speakers, bilingual students and students learning Spanish.

## Webster's Third New International

The *Webster's Third New International Dictionary, Unabridged Online* is now available through Encyclopædia Britannica. Librarians, teachers, and students can trust its comprehensive database of words and robust search functionality, which allows users to research language and study words in a variety of exciting ways. It's the perfect resource for anyone interested in expanding his or her understanding of the English language.
